HOST INSTITUTE: SKUAST OF JAMMU

SKUAST of Jammu is mandated with the responsibility of teaching, research and extension education through three faculties viz. Faculty of Agriculture, Faculty of Veterinary Sciences & Animal Husbandry, Faculty of Basic Sciences, and one School of Biotechnology as also providing PG programme in Agri- business Management. Division of Statistics & Computer Science, SKUAST Jammu is located at Chatha Campus as a constituent unit of Faculty of Basic

Sciences. The division was created in 2015 from erstwhile Division of Agricultural Economics & Statistics under Faculty of Agriculture, established in 2001 and since then statistical education is being imparted and has made significant contribution in research. For more details, visit <http://www.skuast.org/>

SOCIETY OF STATISTICS, COMPUTER AND APPLICATIONS

The Society of Statistics, Computer and Applications was founded in 1997 at J V College, Baraut, UP. The main objective of the Society is to popularize application of statistical methodologies in various fields of science and to provide incentives for developing indigenous computer software to help application activities in different technological areas. A major activity of the society is to publish a journal called "Statistics and Applications," besides arranging annual conferences in different parts of the country.

PARTICIPATION

Participation is open to all scientists, teachers, students, field officers and research scholars in the field of agricultural and allied sciences. Delegates are invited to register early on conference website www.sscconference2017.in to enable us to plan and make the best possible arrangements.

JAMMU CITY

Jammu is also known as 'the City of Temples', and attained prominence on the tourist map of India with an unprecedented influx of the pilgrims of the holy shrine of Shree Mata Vaishno Devi, throughout the year. Vaishno Devi Shrine is about 50 km from Jammu. There are many other places of tourists interest in and around Jammu as shown overleaf. For details, please visit J&K Tourism website: <http://www.jktourism.org/> or Conference website.

CLIMATE

Climate in Jammu during the month of February would be cold with day temperature between 10-22°C and night time temperature between 05-10°C. Woolen clothes during the day time are recommended.

HOW TO REACH JAMMU

Jammu is well connected by road, rail and air. Direct flights and Volvo buses operate between Delhi and Jammu. Regular trains operate between Jammu and different parts of the country.
