"Statistics & Informatics for Smart Decisions in Managing Resources: Issues & Challenges"

About the Society

The Society of Statistics, Computer and Applications was founded in 1997 at Jat Vedic College, Baraut. The main objective of the Society is to popularize applications of statistical methodologies in different sciences and to provide incentives for developing indigenous computer software to help application activities in different technological areas. A major activity of the society is to publish a journal called "Statistics and Applications," besides arranging annual conferences in different parts of the country.

Call for Papers

The Executive Council of the Society and the Committees of the conference call for papers on various themes and sub-themes mentioned below. We cordially invite you to attend the conference and participate in the three-day's deliberations. The conference will be held at Birla Institute of Management and Technology, Gothapatna, Bhubaneswar, Odisha-751003.

Those who are desirous of submitting a paper for presentation may submit their paper latest by 15th January 2015 to Dr. L.M. Bhar, Head, Division of Statistical Genetics, IASRI, Library Avenue, Pusa, New Delhi- 110 012 by E-mail or hard copy by post enclosing a CD of the same. About BIMTECH

Birla Institute of Management Technology (BIMTECH), Bhubaneswar, a sister concern of BIMTECH, G Noida, has been established by the Birla Academy of Art and Culture, the education wing of the BK Birla Group of companies. Dr (Smt) Sarla Birla, Chairperson of the Birla Academy and Syt. BK Birla, Chairperson of the BK Birla Group of companies are the founders of the institute.

BIMTECH, Bhubaneswar (BBSR) campus was commenced in the 25th year of operations of G Noida campus, which is ranked 7th among Pvt B-schools of India. The campus has been spread in lush green 30-acre, aims to serve higher education needs of eastern region. The flagship programme PGDM has students from 17 states, thus representing mini-India culture in the campus. This mix of cultural backgrounds, academic and professional experience makes BIMTECH, Bhubaneswar the most exciting and happening business schools in Eastern India today.

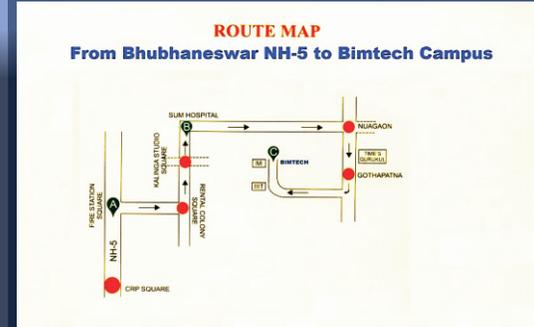

How to reach the Venue: Google map:

From Biju Patnaik International Airport: (Distance: 15 km)

From Bhubaneswar (BBS) Railway Station: (Distance: 15 km)

About Bhubaneswar

Bhubaneswar, the capital of Odisha, is also popularly known as the "Temple City of India". Being the seat of Tribhubaneswar or 'Lord Lingaraj', Bhubaneswar is an important Hindu pilgrimage center. Hundreds of temples dot the landscape of the Old Town, which once boasted of more than 2000 temples. Bhubaneswar is the place where temple building activities of Orissan style flowered from its very inception to its fullest culmination extending over a period of over one thousand years. The new Bhubaneswar with its modern buildings and extensive infrastructure perfectly complements its historic surroundings. With facilities to cater to every type of visitor, Bhubaneswar makes an ideal tourist destination.

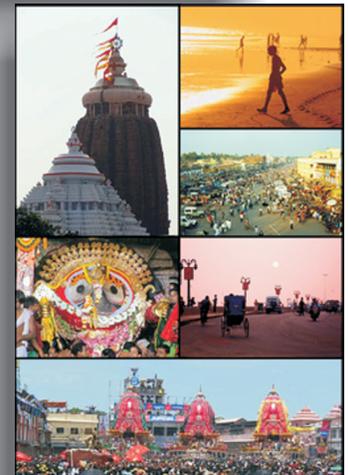

Places to visit

Konark Sun Temple (UNESCO World Heritage Site) is a 13th-century Sun Temple (also known as the Black Pagoda), at Konark, in Odisha, India. It has been built in the shape of a gigantic chariot with elaborately carved stone wheels, pillars and walls. A major part of the structure is now in ruins. It is also featured on NDTV's list of Seven Wonders of India and Times of India's list of Seven Wonders of India.

Puri, known as Jagannath Dham is situated on the Bay of Bengal, 60 kilometers from the state capital of Bhubaneswar. The world famous 11th-century Jagannath Temple is located in the city. It is one of the original Char Dham pilgrimage sites for Indian Hindus. According to Hindu teachings, a pilgrimage of the temples of India is not considered complete without a journey to Puri.

Chilika Lake is a brackish water lagoon, spreading over Puri, Khurda and Ganjam districts, flowing into the Bay of Bengal, covering an area of over 1,100 square Km. It is the largest coastal lagoon in India and the second largest lagoon in the World, famous as the largest wintering ground for migratory birds on the Indian sub-continent.

Lingara Temple, Raja Rani Temple
